Ms. Parker,

The scanner is not functioning properly, so I am sending the attached via fax.

Please note that I have included figure 5 now as well as I just noticed it also contains foreign language.

Attached is a black and white version of the color drawings in this application. I will be sending you a petition decision dismissing the petition to accept color drawings. You will have two months to send in a renewed petition with corrected color drawings. If you choose not to respond, the patent will issue with the black and white drawings. If you determine prior to the 2 month period that you prefer the black and white drawings, you may respond to communicate that in writing.

If you have any further questions, please feel free to contact me at 703-756-1568,
